

Week 1 instructions:

- 1) Go to <https://cinf496-fa19.arcc.albany.edu/>
- 2) Login with your NetID and password
- 3) Click “New” in the top right, then click “Terminal.” A new window will open with a terminal session.

- 4) Run “git clone <https://github.com/sjacks26/INF496-F19.git>.” This will download the syllabus and the materials we’ll use in the first day of class to your home directory on JupyterHub.
